

The 3 Nominees that will stand for election for the Congress Selection Committee are:

James Thompson from the Pan American region. Jim is re-nominated for a second term on the CSC. He has been heavily involved in the Organizing Committees of many INTERNOISE congresses as well as many INCE-USA and SAE conferences in the United States. Jim has been the Managing Editor of Noise News International and has recently assumed the role of Editor-in-Chief of the Noise Control Engineering Journal.

Ondrej Jiricek from the Europe-Africa region. Ondrej is re-nominated for a second term on the CSC. Ondrej served as Technical Chair for INTERNOISE 2004 in Prague. He is the president of the Czech Acoustical Society, an at-large member of the I-INCE Board of Directors and has served on the organizing committee of numerous European and Czech noise control and acoustics congresses.

Ichiro Yamada is nominated from the Asia-Pacific region. Ichiro has served on the CSC for the past 3 years in his role as Vice President for Asia Pacific and has served as the Secretary of the CSC. He was the General Chairman of INTERNOISE 2011 in Osaka. He has served on numerous noise control and acoustics conference organizing committees in Japan and Asia.
